Prospective Chamber Members,

The Monte Vista Chamber of Commerce exists to help promote a spirit of entrepreneurship in the Monte Vista Community, to help create an invigorated business climate for new and for established businesses, and to help promote tourism in the Monte Vista area.

The Chamber is open to fresh ideas! Members are encouraged to give us ideas and topics for business mixers and other opportunities to interact with one another and feed of one another’s strengths and prior experiences.

We host or collaborate on about 11 events each year, beginning with the Southern Rocky Mountain Agriculture Conference in February and ending with the Holiday Festival in December. In between we have hosted Chamber mixers, candidate forums in election years, and the meeting room facility is available for Chamber members to use at low or no cost. Our web page is an attractive launching platform to your business web page. We have Constant Contact and a bulk mail license for direct marketing via email or snail mail and we maintain an email list of over 900 contacts in the San Luis Valley and beyond.

We hope you will join us. Together we can achieve our mission and advance your business. Alone we will only stand still and you know that standing still means falling behind.
