Did You Know?

4-H is a worldwide youth development program available in every state and many countries. It is people sharing, learning, growing and becoming the best they can be. 4-H helps youth develop life skills such as: communication, citizenship, decision-making, leadership, interpersonal relations and community and global awareness. 4-H is family and community oriented and open to all.

The San Luis Valley Area 4-H program covers Alamosa, Conejos, Costilla, Mineral, Rio Grande and Saguache Counties. Members participate in a variety of projects ranging from livestock, to shooting sports, to clothing construction and cake decorating. Youth are supported by a network of clubs and volunteers and have opportunities to participate in activities like the County and State Fairs, workshops and camps.

The Colorado 4-H program is offered by Colorado State University, through their Extension program. Program funding is made possible with support from the national, state and county governments.

The San Luis Valley Fair is run by a dedicated group of volunteers who are elected to the Fair Board on rotating terms from across 6 different counties.

Fair dates are August 7th through August 14th.

Changes Coming! Chamber Sponsored Podcasts are being replaced.

The Monte Vista Chamber of Commerce has been sponsoring business spotlight podcasts on SLVoices for the Business of the Month and two Featured Businesses.

Please bear with us as we continue to evolve and improve the Monte Vista Chamber and its membership services. Based on input from members, we are

planning on switching from Podcasts to another method highlighting the selected businesses. This transition will take some time as we plan out our strategy. Stay tuned!
