### Did You Know?

Did you see the Crane statues that were up last summer and fall? Weren't they a colorful, vibrant addition to the Monte Vista downtown area? They're actually 5 foot tall pressed steel silhouettes of the exact cranes that visit the Monte Vista area a couple of times every year and are painted, beautified by local artists from around the San Luis Valley. You've heard of the Sandhill Cranes coming through the Monte Vista area on their way to their winter homes in Mexico, right? Well the City of Monte Vista has some that stay year-round in the form of fine art. These statuettes adorned the city's lamp posts from March through September this year and they will again in 2021! Check our website for more details.
