Chamber News

The Swoop of Cranes that has graced Monte Vista this year in the form of 5 foot crane silhouettes transformed into a local artist's creative rendition will be leaving soon. City crews will be taking the cranes down on September 8th and 9th. Most of the cranes have been purchased by their sponsors or artists but a few will be available for an online auction - stay tuned for details. Special thanks to chamber director Ken Hamko who initiated the project and spent countless hours making it a reality. We are already working on next year's Swoop!
